Dear Potential Sponsor,

I am contacting you regarding a unique opportunity. A Home Away From Home invites you to become a sponsor. The primary source of funding for A Home Away From Home is from corporate sponsors, such as you. A Home Away From Home does not receive any government funds.

As you may be aware, **A Home Away From Home will provide a safe haven for pregnant teens and teens with a child.** Often times, the teens will enter our facility with only the clothes on their backs. The organization provides basic needs, services, counseling, life and social skills training as well as recreational activities for the youth during their transformation period. The funds provided by your organization will be used to provide housing, food, clothing and other necessary resources. **We here at A Home Away From Home do not condone teen pregnancy;** however it does not change the fact that teens are becoming pregnant everyday. Many of the teens that become pregnant feel like outcast and inadequate as parents and many of the babies born to teens are born with health problems due to improper prenatal care. Our program will help them realize that **it does not have to hurt to be a teen parent and they are not alone.** Part of our program requirements will be for the teens to educate other Junior High and High School age youth regarding the hardships of teen pregnancy in hopes that we reduce the numbers of teen pregnancy statistics. We will also ensure proper health care during and after their pregnancy.

Your sponsorship will help assure the success of "A Home Away From Home". Enclosed please find more information on this exciting opportunity. Please do not hesitate to contact me with any questions or concerns about our sponsorship program. Thank your for considering this letter.
